UNION EUROPEENNE DES MEDECINS SPECIALISTES

DR ROMUALD KRJews

2012
THE UEMS

The largest European Medical Organisation (35 countries, ca. 1 mln. specialists)

Key activities include:
- **standard setting** for specialist training and practice
- **accreditation** of CME/CPD
- political **lobbying**
THE ADDED VALUE OF THE UEMS

- development of modern, harmonised models for the training of the next generation of medical specialists
- an independent body for international accreditation of CME
- greater strength through mutual co-operation
- a stronger voice in the European representation of medical specialists
THE ADDED VALUE OF THE UEMS

- interaction and support between NMAs and between individual specialities
- addressing interdisciplinary issues in emerging areas of specialist medical practice
- peer review and approval of specialty documents, education
