e-PORTFOLIO:
A modern saga?

- Zurich 09/2012: decision to launch project

  reasons:  - increase of exams attendees
             - increase of workload for Berlin office
             (from 607 hrs in 2011 to 1162 hrs in 2014)
             - increase in costs for the office

  Several softs evaluated...
  in the meantime the UEMS bureau had chosen SQUIZ for its website creation

- Stockholm 09/2014: decision to work with SQUIZ
  <<< costs, unity with website, proximity with Berlin office
TREMENDOUS WORK TO BE DONE:

- Several divisions <> different requirements
  - Identification of requirements
  - Difficult to identify divisions webmasters
  - Organisation of payments (Paypal)
  - Large amounts of tests with Squiz
